### Parish Mission Statement

We, the members of Our Lady of the Snows Church, are a community of Christian believers, empowered by the Holy Spirit and nourished by Word and Sacrament. We dedicate our time, talents and gifts toward the growth of God's love to others. We celebrate our unity with the Body of Christ. We acknowledge that our Love of Christ urges us to seek Spiritual growth and respond to the needs of all: especially the sick, elderly, poor and lonely. We shall accomplish this on-going mission through faith, pray, service and trust in God.

**TREASURES FROM OUR TRADITION**

Once the way was cleared for additional Eucharistic Prayers, those who were appointed to compose them had to look deep within the tradition for sources. One of the prescriptions for new prayers was that they be “unencumbered by useless repetition.” From the start, therefore, the writers knew that the old Roman Canon, which had the priest bowing and crossing himself many times in a long, complex prayer, was not a model of simplicity.

Aside from the prayers treasured by Eastern Christians, there is an obvious model from ancient Rome. For about a hundred years now, the historical text “Apostolic Tradition” has shed some light for us on the shadowy shape of worship in the early church. In it, its author, Hippolytus, took care to record the actual texts of worship used at the time. He himself has a shadow side, since he was so ardently conservative in his tastes that he broke ties with the Bishop of Rome and became first in the line of history’s anti-popes. At the eleventh hour, however, he reconciled with his enemies and actually died a martyr. In fact, he was shipped off to the Sardinian mines as a slave with the true pope as his companion in chains. Because his tussle with the pope was over theological innovations and not liturgical texts, we are sure that his account of the style of Eucharistic Prayer in the third century is accurate. It forms the core of today’s Eucharistic Prayer II.
