### Parish Mission Statement

We, the members of Our Lady of the Snows Church, are a community of Christian believers, empowered by the Holy Spirit and nourished by Word and Sacrament. We dedicate our time, talents and gifts toward the growth of God's love to others. We celebrate our unity with the Body of Christ. We acknowledge that our Love of Christ urges us to seek Spiritual growth and respond to the needs of all: especially the sick, elderly, poor and lonely. We shall accomplish this on-going mission through faith, pray, service and trust in God.

**TREASURES FROM OUR TRADITION**

It's interesting to imagine the scene when the changes in our liturgy were first tested. Choices for prayer texts were one thing, but responses from the people were another. In early 1967, secret test-drives of the new Mass were conducted in the Vatican. Pope Paul VI was present, and there was a handful of bishops, priests, a few laypeople and two sisters making up the assembly. Everyone had a booklet with every word of the songs, rubrics, and prayers, blank paper, and a pencil for notes. After each Mass, the ordained men in the group met in the pope's library to share their experiences. The laypeople and sisters met separately.

Over a week's time they tested what they called a "read Mass with singing," a "Mass entirely recited," and a "Sung Mass." While the ordained were generally in favor, the lay comments were very clear and insightful, and had great impact on the final result. This was a brilliant plan on the part of the pope, who got to see how the reform was going, and to recognize in this small trial run a growing consensus that reform was needed and welcome. Based on his observation, Pope Paul VI called for specific innovations, such as beginning the Mass with the sign of the cross. It's amazing that some of our most familiar rites are really quite new treasures of our tradition!
