Parish Mission Statement

We, the members of Our Lady of the Snows Church, are a community of Christian believers, empowered by the Holy Spirit and nourished by Word and Sacrament. We dedicate our time, talents and gifts toward the growth of God's love to others. We celebrate our unity with the Body of Christ. We acknowledge that our Love of Christ urges us to seek Spiritual growth and respond to the needs of all: especially the sick, elderly, poor and lonely. We shall accomplish this on-going mission through faith, pray, service and trust in God.

IN CASE OF BAD WEATHER:

Since we do not have a permanent priest living here at the present time, please consider that there may not be services on weekends if the roads are impassable. If the weather changes very suddenly, we may not be unable to let you know – you can check the website, which we will try to keep updated. If Highway 5 is closed, Fr. Will not be able to get here.

THANKS FOR YOUR SUPPORT OF THE PANCAKE BREAKFAST!

Please keep Chris Polanco and his family in your prayers. Chris is still in intensive care as of the middle of last week. He is the son of Rick & Della Polanco of our parish.

TREASURES FROM OUR TRADITION

This is the year of St. Paul, and so one of the most visited churches of Rome is also one of the most beautiful: the Basilica of St. Paul Outside the Walls. Like so many other churches, it was founded by the master-builder (or financier) Emperor Constantine about the year 315. Paul was martyred outside the walls of the City of Rome at a place called Tre Fontaine, probably on June 29, in the year 65, perhaps the first anniversary of St. Peter's crucifixion. Christians buried him in a quiet place about two miles away, and visited to pray. Constantine was running low on bricks, apparently, because the first church was tiny. In 386 it was demolished and today's basilica begun. This vast and towering space looks much the same today as it did in the fourth century.

The centuries have not been kind to ancient Rome, but until the early 1800s St. Paul Outside the Walls survived beautifully, perhaps because it has been assigned for nearly a thousand years to Benedictine monks. It was therefore a vibrant place of daily prayer even through the centuries when Rome was a poor and nearly abandoned city. In 1823 a great fire resulted from a botched repair job to lead on the roof, and St. Paul's was destroyed. It is said that the whole world contributed to its restoration. Even the Russian czar and the viceroy of Egypt gave alabaster, malachite, and lapis lazuli for the pillars and the tabernacle. Several of the precious mosaics were able to be restored, bringing the ancient basilica back to life. One of the great treasures of the basilica is a set of prison chains, said to have been worn by the Apostle in the last days before his martyrdom. Unlike other Roman churches, St. Paul's stands in a garden-like suburban neighborhood, surrounded by stately palm trees, gardens, and parks.
