Parish Mission Statement

We, the members of Our Lady of the Snows Church, are a community of Christian believers, empowered by the Holy Spirit and nourished by Word and Sacrament. We dedicate our time, talents and gifts toward the growth of God's love to others. We celebrate our unity with the Body of Christ. We acknowledge that our Love of Christ urges us to seek Spiritual growth and respond to the needs of all: especially the sick, elderly, poor and lonely. We shall accomplish this on-going mission through faith, pray, service and trust in God.

TREASURES FROM OUR TRADITION.

This is the height of vacation season, but as anyone who has ever been to Rome in the summer knows, no time to visit there! The city is sweltering, and in a pre-air-conditioned world long ago, Romans figured out that they needed a break in the surrounding hills. Even the pope clears out. His destination is usually Castelgandolfo, a lovely little hill town southeast of Rome, overlooking a tranquil lake. It has been a papal possession since about 1600, and in 1929, when most of the papal states were finally lost, the papal dwelling was given “extraterritorial rights,” meaning that it is an extension of Vatican City and not under Italian rule. The Vatican observatory maintained telescopes here for decades, far from the glare of the city lights of Rome, but although the observatory offices remain here year round, the telescopes are in Arizona. Pope Francis spends less time here than his predecessors, though he still slows down the pace of his work in Rome.

Vacations can help us visit friends and relatives, and revive those human contacts that the pace of our lives keeps us from cultivating. The pope needs a break, and so do you. Vacation comes from a word meaning to empty oneself. There’s still time to clear the calendar for at least one golden summer day even if you don’t have a personal castle in the hills!
